### **Note from the promoter James Smyth**

Thank you for being part of the Callout Championships fight night in Cambridge. As our second official show, we're excited to bring another packed night of fights to the city of Cambridge.

I'm James Smyth, and I'm the organizer and promoter of this show. This document will highlight the key points of the show for you as coaches and fighters. We have a packed show with around 18 fights, one of which is an amateur title fight and one pro title fight, so we're keen to make it a smooth-running show.

I will be around all day and will introduce myself when you arrive.

### **The Venue**

The show will take place at Storey's Field Centre in Cambridge.

***For those travelling by car:*** Please park at Madingley Road Park and Ride, which is free (for up to 18 hours) and – using the new footpath in the northeast of the car park – only a 5-10 minute walk away. Madingley Road Park & Ride. Madingley Road, Cambridge, Cambridgeshire, CB3 0EU.

***For those travelling by train:*** When exiting the train, turn left and head to bus stop 8. You then want to take the U, Universal Newnham, to Sainsbury's Eddington; this will be the 21st stop. It will take you around 24 minutes. The last train from that area to the station is at 9:33 pm. Alternatively, Uber will operate in the area and take around 15 minutes.

We have been informed that a train strike might be happening on the 29th of July, which may affect your route. Please make sure you check ahead of time.

If your travel arrangements require you to leave Cambridge at a certain time, please let us know, and we will ensure your fights are scheduled accordingly.

You will find a cafe, Sainsbury's, and a restaurant within walking distance of the venue.

### **Changing areas**

We will allocate you either a RED or BLUE changing area. We will try our best to make sure your gym is in the same changing area. Each area will include a sink, kettle, tea, coffee, bottled water, and either red or blue tape. Each area will have warm-up mats and seating. We will ask that if your fight is not upcoming, you stay out of these areas to let fighters have enough room to warm up. The timetable of the fights will be on the doors and on the areas, so please respect each other's space for warming up.

We will also provide an additional outdoor courtyard space if you need some extra space. We ask again to respect your fellow fighters if using this area.

### **Equipment**

On the night, we will allocate you a set of gloves approximately an hour before your fight. We ask that these are returned after your bout has concluded.

We will not be providing:

- Mouth Guards
- Fightwear
- Hand Wraps - Fighters and Coaches will be responsible for your own hand wraps. The opposing coach will be allowed to check the hand wraps prior to the fight. Any issues please flag with James Smyth.

Please ensure you have the above, and all conform to the rules and regulations of the unified MMA guidance set out by the IMMAF, save for any expectations agreed for this specific show. Anyone without the appropriate equipment may be asked to withdraw from their bout.

### **Walkout music**

Please provide us with your music choice 1 week prior to the fight night. We will require the name of the artist, the song title and if you have it an MP3 download.
